

TROJAN BATTERY AWARDS

Best Customer Service Award ISSA/INTERCLEAN® North America

At Trojan Battery, not only do customers receive the best quality products, but that they also receive services of the highest standard. Trojan are pleased to announce that they are a recipient of the Best Customer Service Award for providing the best customer service among ISSA/INTERCLEAN® North America's exhibitors during the tradeshow, held at Las Vegas, NV's Las Vegas Convention Center, September 8-11.

Distributors, building service contractors, and in-house service providers who attended ISSA/INTERCLEAN cast their ballots for the Best Customer Service Award, which was given to three companies with booths 300 square feet or less and three with booths greater than 400 square feet. Voters were asked to make their choices based on which company's staff best met attendee needs, answered questions, or offered solutions when people visited their booths.

One of the largest tradeshows in the world, ISSA/INTERCLEAN North America features a wide range of resources related to the cleaning industry. ISSA and its tradeshow partner, Amsterdam RAI, produce ISSA/INTERCLEAN shows around the world, with an annual event each year in the United States, Amsterdam, etc.

Best Overall Winner LLEAP Awards Lift & Access Magazine

As a testament to Trojan's consistent efforts to provide their customers with superior products and service, Trojan Battery has been awarded Best Overall Winner in the 2007 LLEAP Awards for our Plus Series™ deep cycle battery.

Held annually, the Leadership in Lifting Equipment and Aerial Platforms (LLEAP) Awards aims to recognise products, accessories or design concepts that are considered innovative and/or have advanced the state of the lift and access industry.

"Trojan has been a supplier of the highest quality batteries for the aerial industry so far," commented Lance Sullivan, the Fleet Product and Service Manager for Sunstate Equipment Company and one of this year's LLEAP judges. **"This new series of batteries sets them even more apart from their competitors."**
